Adjusted Day Time	Meeting Information
Sunday 01:00 PM	<p>Healing Stuck Grief (and Toxic Shame) (WEB0447) - Suppressed memories and feelings rob us of our natural vitality. To heal we use recovery tools like sharing, journaling, active imagination, and mindfulness practices to recall and digest unprocessed experiences in a supportive setting. Everyone is welcome. By gradually releasing the burden of unexpressed grief, we slowly move out of the past. We learn to re-parent ourselves with gentleness, humor, love and respect. This is a 90 minute meeting with readings and practices followed by 30 minutes of fellowship. Our format is a four-part series covering different aspects of the emotional healing journey. We use two grief scripts, a shame script, and a script on the inner adolescent, over four Sundays and then restart the series. Our meetings are program literature dependent.
