WeAgnostics (WEB0615) - The Zoom information is the SAME for ALL WeAgnostics meetings. All information on how to access the meeting is below the meeting description.

WeAgnostics is open to everyone in ACA. If you are atheist, agnostic, a freethinker, humanist, uncomfortable with the religious language in ACA literature, questioning what Higher Power means to you, or simply looking for a new meeting, then this group might be for you.

We are not angry atheists or against a Higher Power. We believe in personal accountability and that ACA recovery can be successful with or without "god." We acknowledge a Judeo/Christian Higher Power does not work for everyone. If you'd like a secular approach to the 12-steps, we invite you to join us.

WeAgnostics supports the following meetings. Note that ALL times are USA Eastern Time

Tuesday 7:00 AM

In this time of uncertainty, reparenting can help us be in the solution of becoming our own loving parent. This is an important step for us as we develop our own identity that is different than our dysfunctional family role. The roles are family hero, scapegoat, lost child, or some other role. With The Solution, we are on our own, but we are not alone as we were when we were children. We have our ACA group, the fellowship, and a Higher Power to rely upon. With help and support, we learn what it means to be a Loving Parent to ourselves.</p> <p><b>Format:</b> Discussion - Fellowship Text  <b>Focus:</b> Beginners <a href="https://acafellowworldtravelers.com">https://acafellowworldtravelers.com</a>  Meetings Local Time 06:00 am Europe/Amsterdam</p>

Monday 03:00 PM	<p>Reparenting Check-In Practice (WEB0181) - This is an open meeting to which ALL ARE WELCOME. This is a beautiful way to start the week and a useful model for daily practice. The Reparenting Check-in Practice meeting follows the model set forth in Chapter 9, Appendix C of the Loving Parent Guidebook. In the 4-step sharing process, one is invited to 1) become aware of their breath, emotions, and body sensations; 2) gently check in with the inner child, inner teen, critical parent and loving parent and identify the part of themselves that is activated; 3) share what activated that part; and 4) one may choose to engage in a deeper share during which the loving parent acknowledges the part of themselves that is in need at the present moment and offers nurturing support and/or commitment to action.
