# TRADITION 5

Each group has but one primary purpose - to carry its message to the adult child who still suffers.

**Meditation:** *Higher Power. Help us remember that ACA has but one primary purpose which centers the fellowship and which simplifies most discussions.*

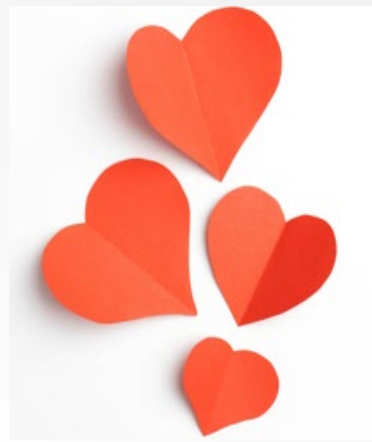

**Help us remember to ask ourselves a simple question when we are doing the business of ACA. “Does what we are about to do support the primary purpose of carrying the ACA message to another adult child needing help?”\***

# 47 YEARS OF ACA FELLOWSHIP

- ❖ We are at an important moment in ACA history as our global fellowship continues to expand with more delegates joining the Conference.
- ❖ The Board is committed to developing a Conference structure as directed by the Fellowship.
- ❖ This will be achieved through delegate discussions, guidance, and group consensus at the QDMs and ABCs. Implementing large-scale system changes takes time.
- ❖ The Concepts, Traditions and collaboration will create a strong foundation for how we can work harmoniously together.
