

Dear Group Contacts,

This is a gentle reminder that Fellowship Group Voting (FGV) is open until January 31, 2026 for the proposed name change for the fellowship.

Who is eligible to vote?

- Every group (meeting, intergroup, and region) registered on the WSO website has one vote. Groups must be registered on the website by December 31, 2025 to be eligible.
- Groups may update/change their vote until the close of voting.

What are groups being asked to do?

- Hold a group conscience to determine the will of the group.
- Determine who from the group will use the unique voting link below to submit the vote

What will be on the voting page? (see [Sample Voting Packet](#))

- The proposed name change
- Your group's reasoning as to why they chose to vote this way (optional)
- If your group conscience was not unanimous, what was the reasoning of the minority - or the "minority opinion" (optional)

## Unique Voting link for your Group(s)

You are a contact for the group(s) listed below. The table below contains your WSO group number(s) and corresponding unique voting link(s). Voting links are unique to each group and can be used to update the group's responses until the close of voting on January 31,2026.

WSO Group Number	Unique Voting Link

Important Note: If you need to forward this to individual members, be sure to remove the unique voting link(s) from the table above. As voting should only occur after a group conscience has been held and an individual is designated to use the unique voting link.

Sincerely,

ACA WSO
