The Current Foundational Concept II (Two) Language reads: Authority for the active maintenance of our world services is hereby delegated to the actual voice, the effective conscience for our whole Fellowship.

Proposal 9/29/21 Issue: Change Concepts II & VI to clearly identify the Annual Business Conference (ABC) as seat of the actual voice and effective conscience of our fellowship. Suggested changes will clarify that authority for the maintenance of world services is delegated to the ABC by the fellowship, while Trustee members of the ACA World Service Organization (WSO) are empowered by the ABC to act as legal agents for the fellowship regarding the maintenance of world services.

New Concept II (TWO) Language by Ad Hoc Committee: ACA groups delegate to the World Service Conference the authority to act as their effective voice and conscience, and to represent the fellowship in world service matters.
