Group Voices Help Shape ACA-
Vote on Proposed Concept II

Dear Registered ACA Group Contact,

This email contains a unique voting link for your group(s). Do not forward it to other group members, as the group should conduct a group conscience and select a designated individual to use the unique voting link found below.

Beginning **August 3, 2026 through December 3, 2026**, your registered ACA Meeting, Intergroup, or Region is invited to participate in the **second Fellowship Group Vote**, this time on a proposed revision to **Concept II (Two)**.

Groups help shape ACA's future, including recovery literature and services supporting meetings worldwide. The proposed Concept II defines how groups give direction through the World Service Conference.

The Fellowship Group Voting process provides every registered ACA group with an opportunity to **learn** about the proposal, **discuss** it together, and **express its informed group conscience**. Every vote matters.

What are groups voting on?

Registered Meetings, Intergroups, and Regions are voting on whether to approve the proposed revision to **Concept II (Two).**

Current Concept II

“Authority for the active maintenance of our world services is hereby delegated to the actual voice, the effective conscience for our whole fellowship”

Proposed Concept II

“ACA groups delegate to the World Service Conference the authority to act as their effective voice and conscience, and to represent the fellowship in world service matters.”

Followed by two optional questions

1. We encourage you to please share with us why your group decided to vote this way. (optional)
2. If your group did not have unanimous agreement, you can enter the reasoning of those who had a "minority opinion". (optional)
